How to Pray a Prayer of Faith Study Guide & Worksheet

Before you begin: Decide what you are going to ask God for, based on His Word. Carefully examine the scripture references in the example to understand how to pray in faith.

Prayer Element	Example and your notes
1. Remind God what He said about the prayers you ask in faith in Jesus' Name. (John 16:23)	<i>Dear God, Jesus said that if I ask you for anything, in faith, you will give it to me.</i>
2. Remind God what He said about the necessity of your faith in Him. (Hebrews 11:6)	<i>Lord, you said that I need faith in you and your word to please you and receive from you.</i>
3. Find the specific promise(s) in the Word on which you are standing in faith. Then declare these promises. Ask God to perform His word in the situation you are praying about.	<i>Father, you said that you are my provider and you have given me the ability to earn a living (Gen 22:14; Deut 8:18). I desire to work because you have said that if I don't work, I won't eat (2 Thess 3:10). You said you will direct my steps and never turn your back on me, because I belong to you. (Ps 37:23,25). Therefore, Father, I ask you direct my steps and bring me swiftly to the work you have for me. I ask you to open the door for my new work that no man can shut. And, Father, close any door that has not been opened by you, for me (Rev 3:7-8).</i>
4. Tell God that you receive what He says in His Word, now, by faith. (Hebrews 11:1 and 2 Corinthians 5:7).	<i>Lord, I believe I receive what I have declared in your word and I receive it, now, by faith and I thank you for it.</i>
5. Close with "in the Name of Jesus, Amen"	<i>In the Name of Jesus I pray, Amen.</i>
