His Final Words Before the Cross

Day/Date	Scripture	Seek Him Here	
Sat, July 1	John 13:1	Psalms 92	<p>John chapters 13-15 include last-hour teachings of Jesus. More than an after-dinner conversation among friends, we listen in to the first-hand account by the Apostle John. Knowing His fate that night, Jesus used this time to impart truths He wanted His disciples to know and embrace for eternity.</p> <p>As you read this month, dwell, meditate and soak in these verses.</p> <p>I encourage you to take an inventory of how your life reflects these Scriptures. Some verses you may want to seek to imbed more deeply into your born-again spirit. Others may inspire you to make changes to more closely align your life with Christ.</p> <div style="text-align: center; margin: 20px 0;">  </div> <p><i>Jesus knew that the Father had put all things under his power, and that he had come from God and was returning to God; John 13:3</i></p> <p><i>Jesus knew where He came from, the authority He had and where He was going. Do you?</i></p>
