By God's design, the New Testament was written for two reasons:

1. For people to know the truth of the Gospel of Jesus Christ. These truths are contained in Matthew, Mark, Luke and John.
2. To teach believers in Jesus Christ how to live according to God's plan.

It is critical for believers to learn God's ways.

The world looks a lot different today than it did when Jesus was raised from the dead. Yet, the truth of Jesus Christ and God's plan for humanity has not changed.

---

Hebrews 13:8  
Jesus Christ is  
the same yesterday and today  
and forever.

---

Christians are called to live a life that reflects the image of Jesus Christ, so the world (people not yet saved) will see Jesus in us. We learn how to live as a Christian through the New Testament writings.

Join us during October-December and immerse yourself in God's plan for your life.
